Due to a break in a large sewer line located near the intersection of Blue Angel Parkway and Millview Road, the Escambia County Health Department is issuing a health alert for:

- 8 Mile Creek south of Huntsville Avenue
- 11 Mile Creek south of the point at which it joins 8 Mile Creek
- Upper Perdido Bay, where it meets 11 Mile Creek

The Health Department advises against any water-related activities at the above locations due to the potential for high bacteria levels. The Health Department will advise the public when water samples confirm that there is no longer a threat to the public.
