Health Alert

PENSACOLA -- Effective immediately, in response to bacteriological sampling, the Health Department is rescinding the health alert for the following bathing area in Escambia County, Florida:

Bayou Chico at Lakewood Park

The Health Department feels that water quality in this area has improved considerably due to the reduction in bacterial levels.

We will continue to monitor the water quality in this area weekly and routinely advise the public of our results. For more information contact the Escambia County Health Department at 595-6786.
